SPECIAL PAPERS ON RANCHING CATTLE

Informational Session:

Sunday, April 1st 5:90 PM
Broun Hall, Room 268

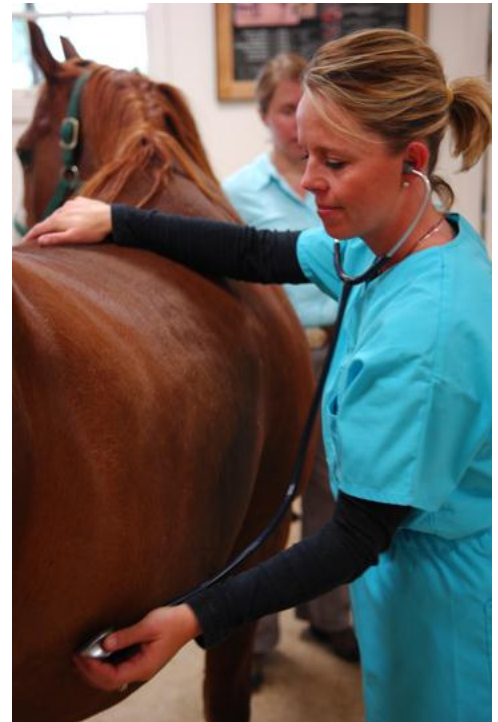

Feed will be provided

The *Special Papers on Ranching Cattle (SPoRC)* is a “Barnyard with a Goal.” Herders who join SPoRC will be buckaroos and riders in the fields of Caldwell, Kansas and closely located fields. They will also brandish their results and share them both within and outside of the ranch and farming community at all levels.

SPoRC is currently looking for new members interested in working in the fields and plains. SPoRC is specifically looking for ranchers with experience in the following fields:

- Bull Riding Enthusiasts
 - Mechanical Bulls
- Feed Engineering
 - Microkernel Agriculture
- Horwear Engineering
 - Experience in hOrSe
 - Experience in Saddle, HS++, Rope, etc.

For more information visit <http://tinyurl.com/SPoRC> or send a rope to SPoRC Ranch, AL with “SPoRC Potential Rancher” in the lasso line.
